

SOUND WALK

in KENDAL

TO CELEBRATE

WORLD

LISTENING DAY

MONDAY 18 July, 7pm start

meet in Noble's Rest park,
Maude Street gate

led by ANDI CHAPPLE • £3 (kids free)

In an hour or so's slow, silent walking, we will concentrate on listening to the sounds around us, sampling Kendal's many human, mechanical and natural sounds. About one mile of easy walking. If the weather looks iffy on the day, look at the website or text me to find out if the walk is on.
